

Diane Casey "Spirit of Festival" Award Nomination

The Diane Casey "Spirit of Festival" Award was established in 2003, in memory of a beloved Festival volunteer. Diane devoted countless hours to Festival..offering time, suggestions and passion for the event. Diane served as Co-CHair in 1987 and continued to return year after year. Diane embodied what Festival is today–by giving her time and talent, as well as making sure that great ideas came to life and that great life was brought to ideas.
